Community Service

Community service is a sentencing tool used as an alternative to jail, as well as, an alternative for those defendants who do not have the financial means to pay fines and Court costs. The community service can be performed in the City of Euclid through litter control during regular working hours, Monday through Friday or outside the City of Euclid through Court Community Service. Court Community Service is a nonprofit agency which charges an individual \$65.00 and will schedule the hours of community service at nonprofit agencies throughout the greater Cleveland area, including the City of Euclid on either weekends and/or evenings.

A total of 356 defendants were sentenced in 2017 to perform community service. The following is the breakdown of defendants sentenced to either litter control or Court community service:

Traffic Violations Bureau

This Bureau has been successfully operating since 1959. By utilization of the Traffic Violations Bureau, the Court is able to efficiently handle a large quantity of minor violations and thereby have more time available to concentrate on more serious violations.

The Traffic Violations Bureau permits a person who has been charged with a minor traffic offense, who has no more than one traffic conviction within the previous year, to dispose their case by appearing at the Clerk's Office during office hours and paying a predetermined fine and Court cost. However, there are certain limitations established for the Traffic Violations Bureau. Hazardous violations such as driving and/or operation a vehicle under the influence, reckless operation, hit-skip, speeding in excess of 20 miles per hour over the posted speed limit and injury and/or property damage offenses are not waivable.

The Traffic Violations Bureau is open for business 24 hours a day, 7 days a week as stated below:

At the Clerk's Office Monday through Friday from 8:30a.m. until 4:30p.m.

At the Euclid Police station outside the above referenced days and times.

Online payments are also accepted through the Court's website.

The Traffic Violations Bureau has been beneficial to the Court, the defendants and the City of Euclid by permitting speedy disposition of minor traffic violations in a just manner without undue delay.

463 total cases resolved through the Traffic Violations Bureau in 2017
